

GOD, IT SEEMS,

would have all men behold and observe such mercies and works of His providence as towards His people, that they in like cases might be encouraged to depend upon God in their trials, and also bless His name when they see His goodness towards others.

MAN LIVES NOT BY BREAD ALONE

It is not by good and dainty fare, by peace and rest and heart's ease, in enjoying the contentment and good things of this world only, that health is preserved and life prolonged. God in such examples would have the world see and behold that

HE CAN DO IT WITHOUT THEM

and if the world will shut its eyes and take no notice of it, yet He would have his people see and consider it.
