Gleaned Quilt

Fabric Requirements:

The Gleaned Quilt is a scrap quilt. Fabric measurements are given for sets of scraps. Yardage is only provided for black and white corner pieces. Note that you can cut (6) 6.5" strips from a jelly roll strip, and will get 252 total 2.5"x6.5" strips from a 42 piece jelly roll.

Large Block version

For one 12" finished block (should measure 12.5" unfinished):

Dark strips: (2) sets of 2 matching strips - 4 strips total, 2 of each color, 2.5" x 6.5"
2 more strips (not matching), 2.5" x 6.5"

Light strips: (2) sets of 2 matching strips - 4 strips total, 2 of each color, 2.5" x 6.5"
2 more strips (not matching), 2.5" x 6.5"

White corners: (8) squares, 2.5"

Black corners: (8) squares, 2.5"

For a 60" x 72" quilt, make 30 blocks

Dark strips: (60) sets of 2 matching strips - 120 strips total, 2 of each color, 2.5" x 6.5"
60 more strips (not matching), 2.5" x 6.5"

Light strips: (60) sets of 2 matching strips - 120 strips total, 2 of each color, 2.5" x 6.5"
60 more strips (not matching), 2.5" x 6.5"

White corners: 1 1/8 yard fabric cut into (240) squares, 2.5" (cut 16 squares per 2.5"

WOF strip)

Black corners: 1 1/8 yard fabric cut into (240) squares, 2.5" (cut 16 squares per 2.5" WOF strip)

Note: To make a different sized quilt, simply determine how many 12" blocks you need for the correct height and width, and multiply those numbers by the fabric pieces needed to complete one block.

Backing: 4 yards

Binding: 1/2 yard

Small Block version

For one 6" finished block (should measure 6.5" unfinished):

Dark strips: (2) sets of 2 matching strips - 4 strips total, 2 of each color, 1.5" x 3.5"
2 more strips (not matching), 1.5" x 3.5"

Light strips: (2) sets of 2 matching strips - 4 strips total, 2 of each color, 1.5" x 3.5"
2 more strips (not matching), 1.5" x 3.5"

White corners: (8) squares, 1.5"

Black corners: (8) squares, 1.5"

For a 60 x 72" quilt, make 120 blocks:

Dark strips: (240) sets of 2 matching strips - 480 strips total, 2 of each color, 1.5" x 3.5"
240 more strips (not matching), 1.5" x 3.5"

Light strips: (240) sets of 2 matching strips - 480 strips total, 2 of each color, 1.5" x 3.5"
240 more strips (not matching), 1.5" x 3.5"

White corners: 1 yard of fabric, cut into (960) squares, 1.5" (cut 28 per 1.5" width of fabric strip)

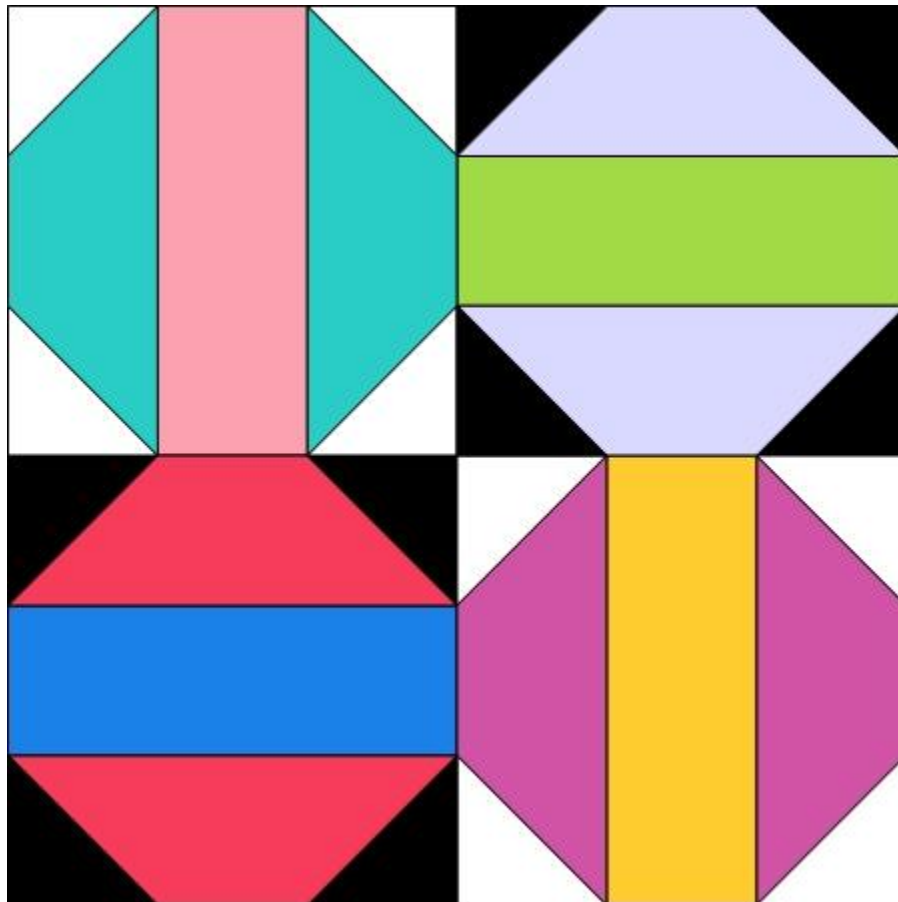

Black corners: 1 yard of fabric, cut into (960) squares, 1.5" (cut 20 per 1.5" WOF strip)

Note: To make a different sized quilt, simply determine how many 6" blocks you need for the correct height and width, and multiply those numbers by the fabric pieces needed to complete one block.

Backing: 4 yards

Binding: ½ yard

The Gleaned Quilt is made with a simple repeating block:

Sew the block:

1. For the large block version, select 2 LIGHT matching strips 2.5" x 6.5" and one DARK strip 2.5" x 6.5". *The small block version is made exactly the same way, but uses 1.5" x 3.5" strips.*
2. Sew strips together along the long side, with a dark strip between both light strips.

3. Press.
4. Select (4) DARK 2.5" squares. Draw a line diagonally across the squares on the wrong side of the fabric. *For the small block version, use 1.5" squares.*
5. Place a dark square at each corner and sew along the diagonal line. Press and trim ¼" from seam allowance. Open and press.

6. Repeat with another set of strips in the same light/dark combination for 2 total units.
7. Repeat steps 1-6, **this time with the opposite strip sets**, 2 DARK and 1 LIGHT strip. Use 4 LIGHT squares to create corners.

8. Make two.
9. To complete the block, sew all 4 blocks together. The pieces with 2 dark strips should stand vertically, and the pieces with 2 light strips will lay horizontally. See diagram below for orientation. The large block will measure 12.5" unfinished, and the small block will measure 6.5" unfinished.

10. Repeat to make remaining blocks. Large version: 30 blocks total. Small version: 120 blocks total. Both quilts measure 60" x 72"

The Gleaned Quilt with 2.5" strips requires 30 blocks, 6 rows of 5 blocks each. See coloring page below:

The Gleaned Quilt using 1.5" strips requires 120 blocks total, with a layout of 12 rows of 10 blocks each. See coloring page below:
